Workshop Offerings

We offer a variety of trainings from 1 Day to 7 Day Workshops

About

Stars to Sea is a Spiritual Society that has grown from the Medicine Circle Shamanic community. Found in the year 2018 by Elaine Hyde and other Members of the Medicine Circle.

Based in British Columbia and offering teachings throughout B.C and online to reach beyond the frontiers and across the waters.

Teaching in accordance to the season and match the teachings with the collectives needs. We encourage that you join live teachings for they offer connection to the wheel of time and location of where they are taking taking place; bringing a depth and richness to the teachings.

Learning ancient practices in connection with the spiritual and natural realms offers

us a harmonious life where we can balance in the web of life, stay present and connected. Bring the dreams we have for ourselves, families, and earth into the present. Learning to pass down healing and tradition to the next generation.

Training is led by Elaine Hyde and Stars to Sea and Medicine Circle Teachers; under the teaching lineage of Helena Frank-Daniel Leonard- Sandra Ingerman- Michael Harner.
